Dear Teen Parent,

The West Forsyth Family YMCA is happy to announce a brand new program just for teen members. **Saturday Night Live (SNL) is an exciting event planned specifically to meet the needs of today's teens.** About two times a month, from 7:30 – 10:00 pm, teens will meet at the West Forsyth Family YMCA for traditional Middle School Madness activities like dancing, basketball and pizza. In addition to dancing and sports, SNL will be introducing new program elements including guest speakers, teen group exercise, character development, extreme video games and even arts and crafts.

Over the past several years, the YMCA has had the opportunity to impact over 8,000 teens through the Middle School Madness program. **Beginning this school year, Saturday Night Live will replace Middle School Madness and will become a member only program.** Through the new structure, the West Forsyth Family YMCA hopes to create a more meaningful experience for local teens.

Because Saturday Night Live is a member only program, we would like to encourage you to start a youth, teen or family membership today. Each of these memberships comes with many benefits listed below. All memberships include a significant reduction in price for Y programs like personal training, summer camp, arts, sports, and swim lesson.

Prices vary based on each category and financial assistance is available.
